Dear Mr. Newman,

Enjoyed the articles in the Numismatic press, regards the well deserved honor accorded to you by A.N.S. Your granddaughter is certainly an attractive and articulate young lady.

As you know, I collect & study "Heath's Counterfeit Detectors". At this time, have over 35 different varieties and often come across some duplicates, particularly in the process of "upgrading". At the moment, have "dups" of 1-P-12 and 1-P-17. Are they missing from your collection? I'm not a dealer, so, "they're priceless", but would like to trade for any "dups" you may have available and would add any cash differential.

My "want list" includes: 1-P-2; 2-PH-1 & 3; 3-P-2, 3, & 4; 10-P-1; 11-P-2; 13-P-1; 14-P-1; 15-P-2; 2-BH-2; 3-BH-1, 2, 4, 5, 6; 12-BH-1; 13-BH-2.

Still have hopes in meeting you... when they stop giving you awards... next conventions I'll be attending are: F.U.N, C.S.N.S. and A.N.A. in N.Y.

Will you be present at any of the above?

Warmest regards,

Ray
